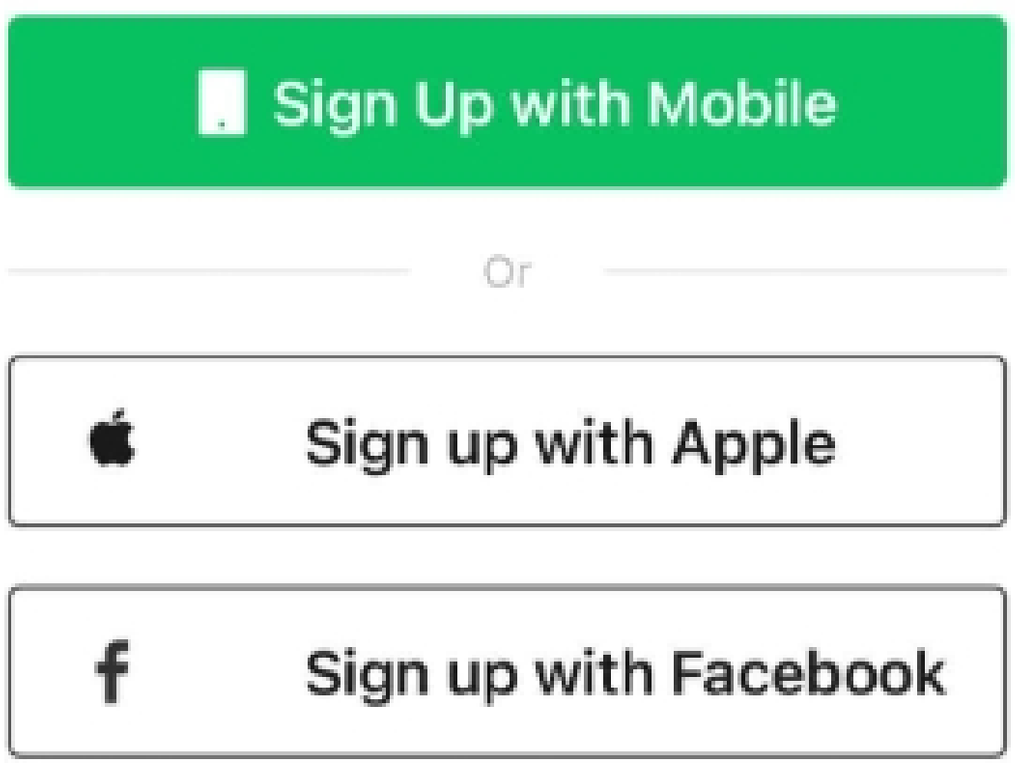
Set up for WeChat

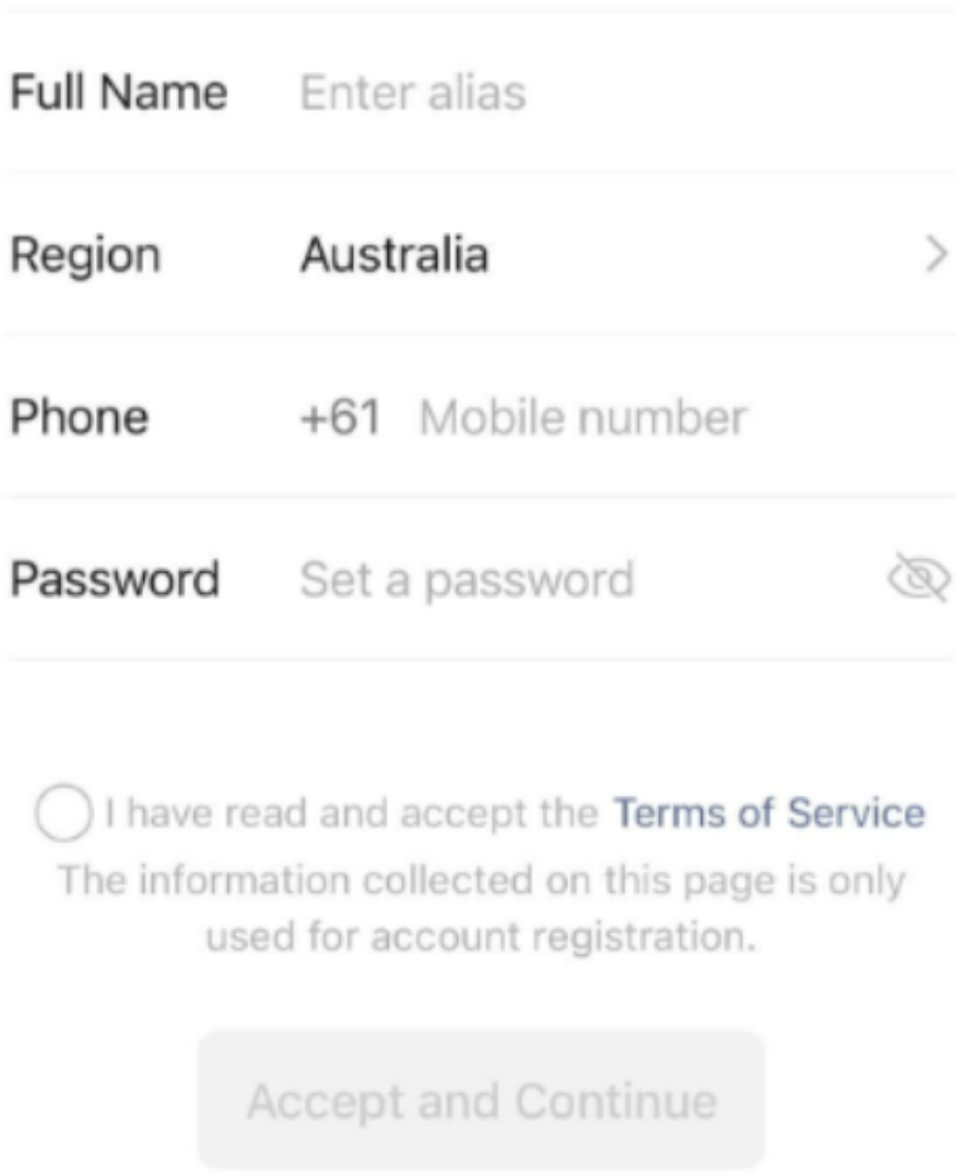
Step 1: Download WeChat from the app store or its official website.

Step 2: Sign up for an account in the following ways.

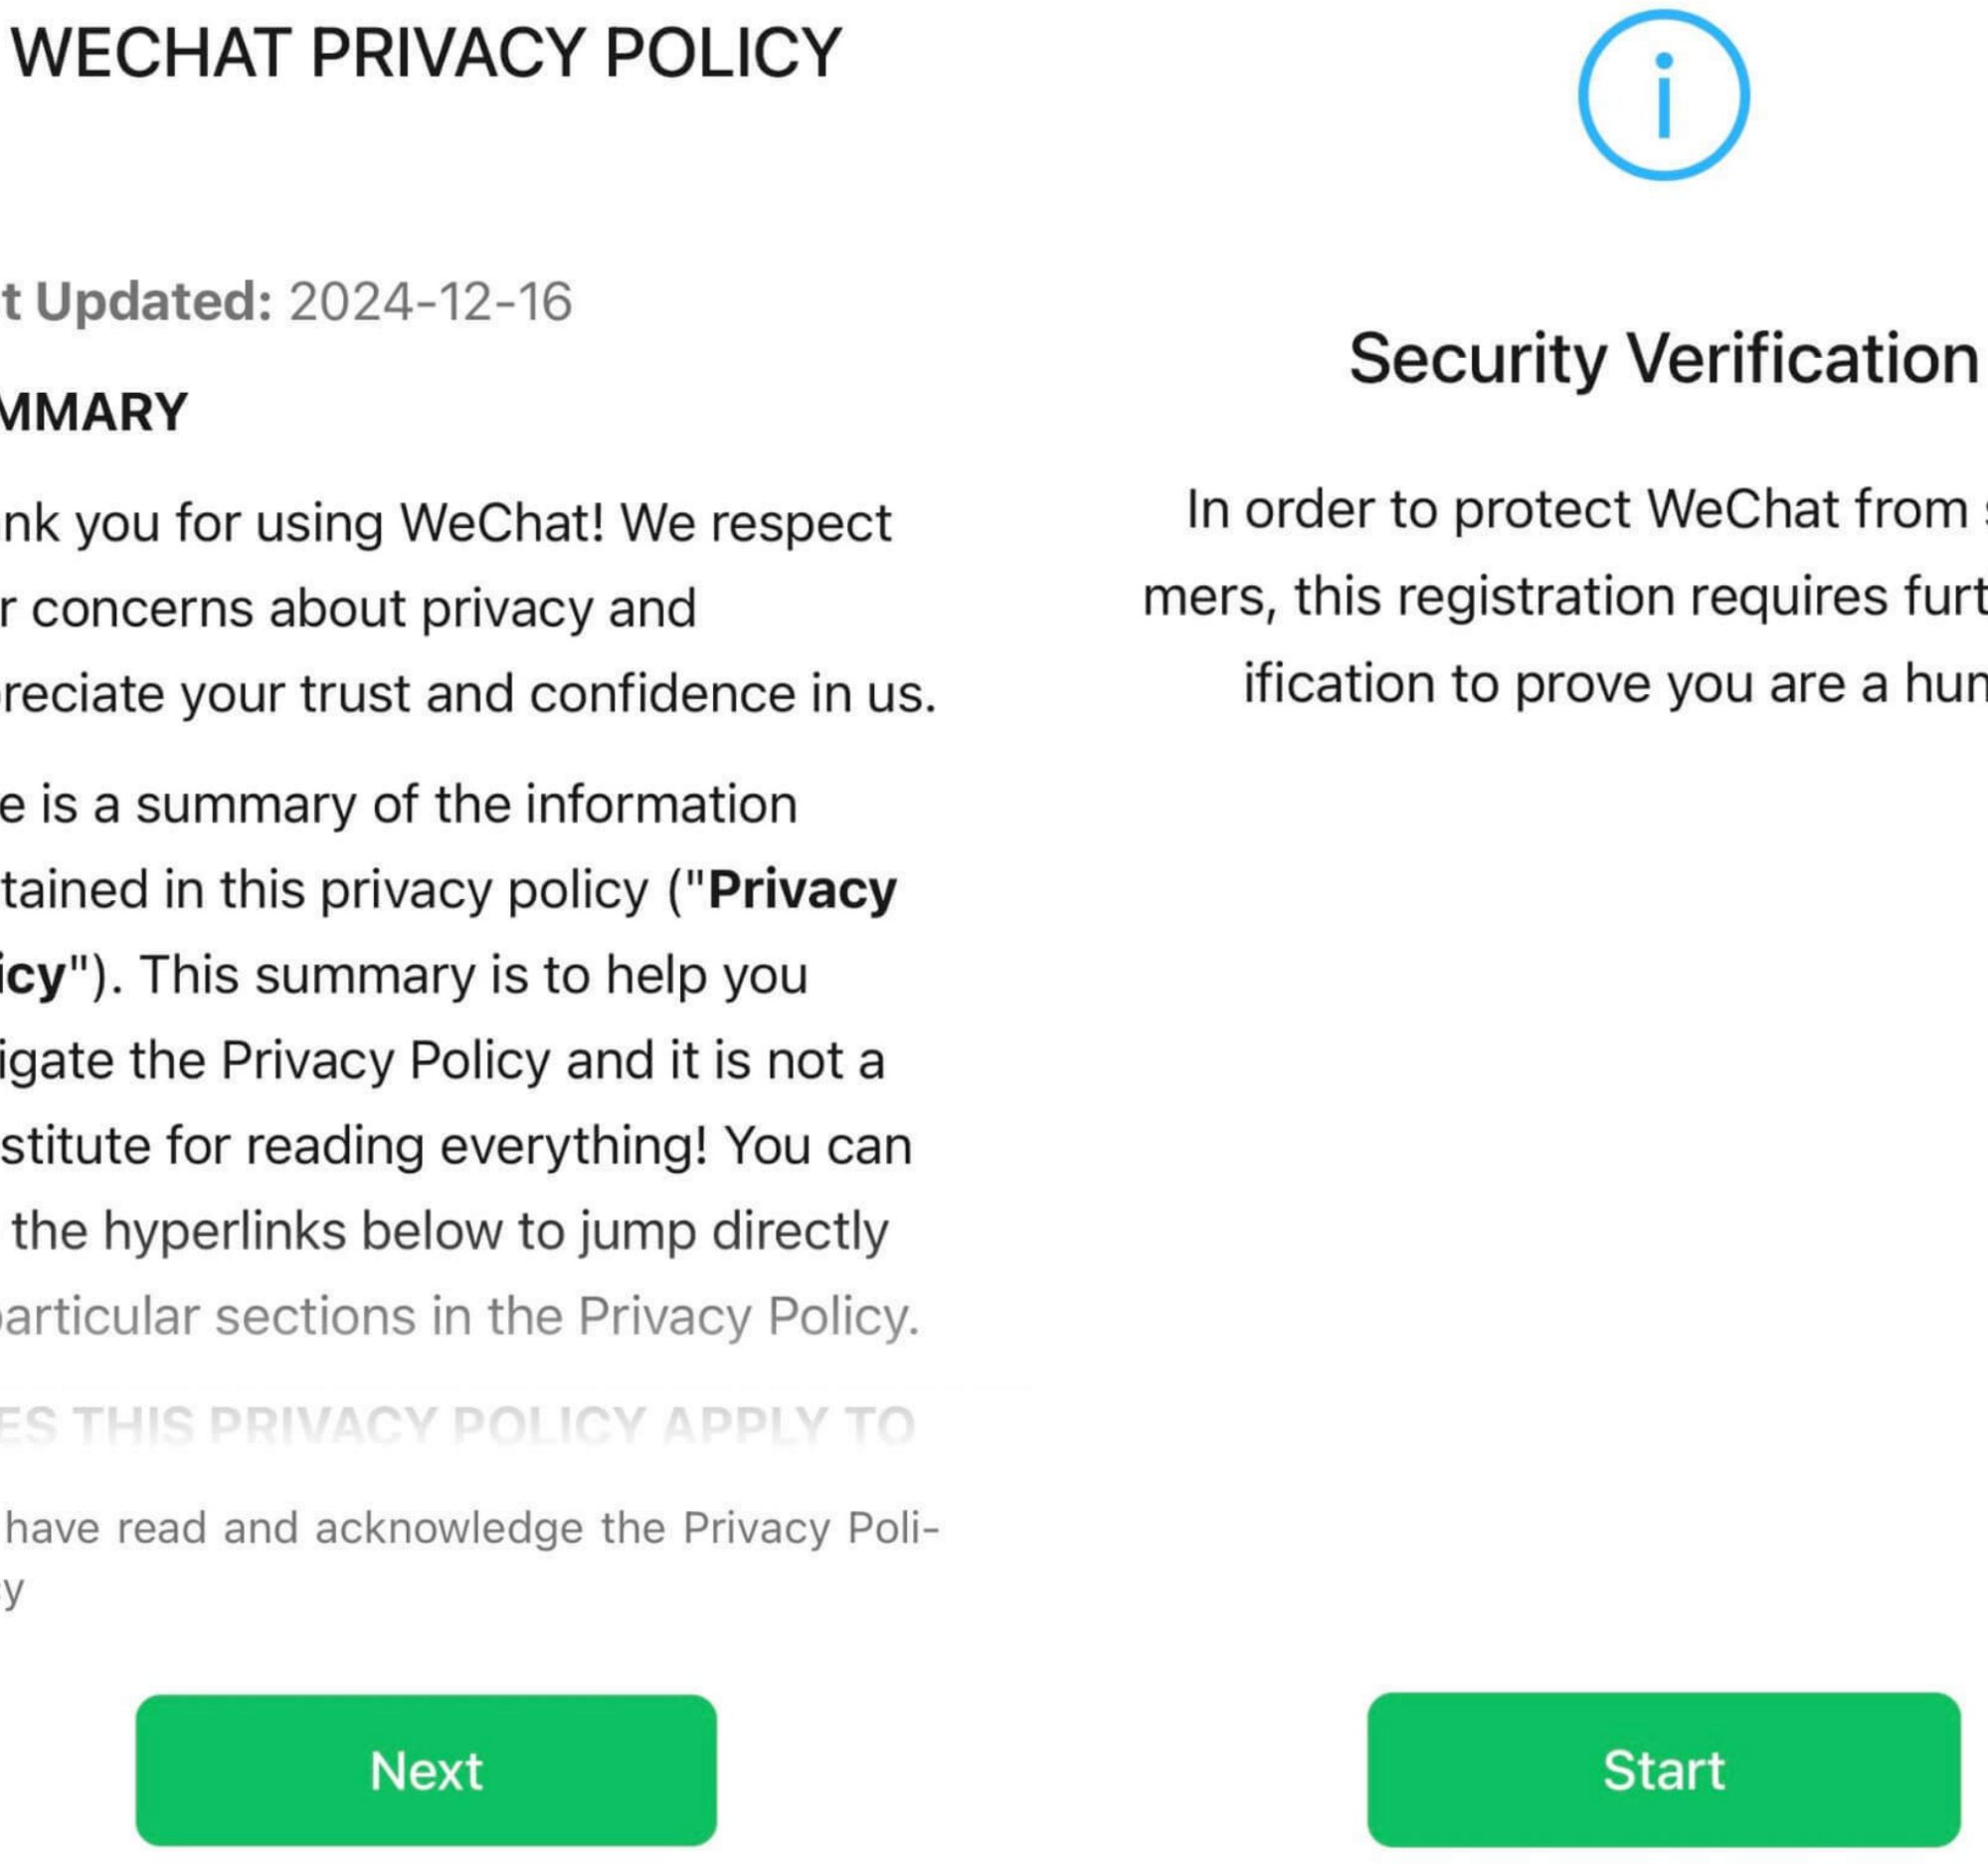
1. Sign up with mobile number.
2. Sign up with Facebook.
3. Sign up with Apple (If you have an iPhone).



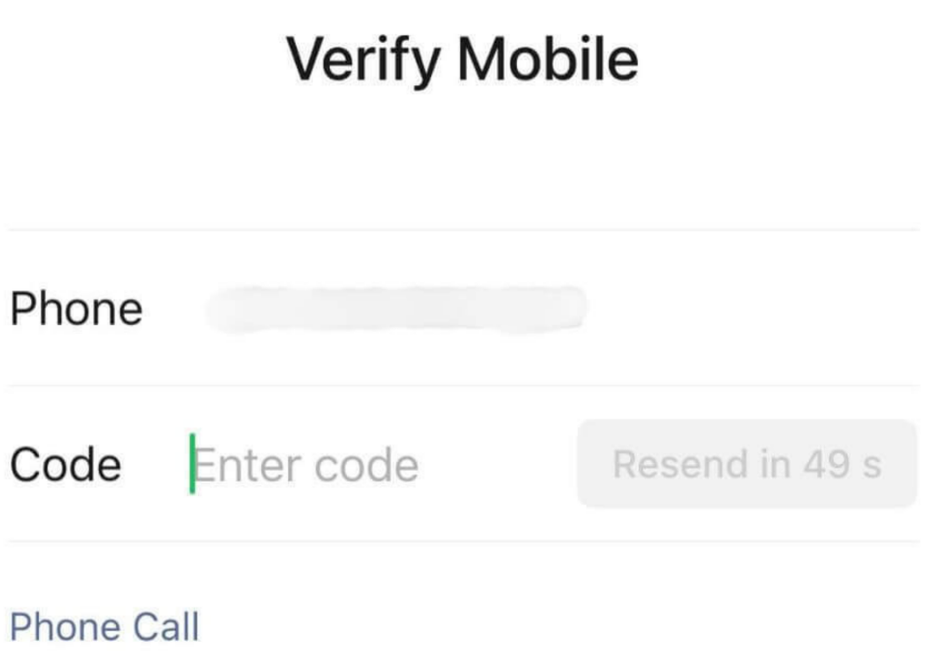
Step 3: Insert your details.

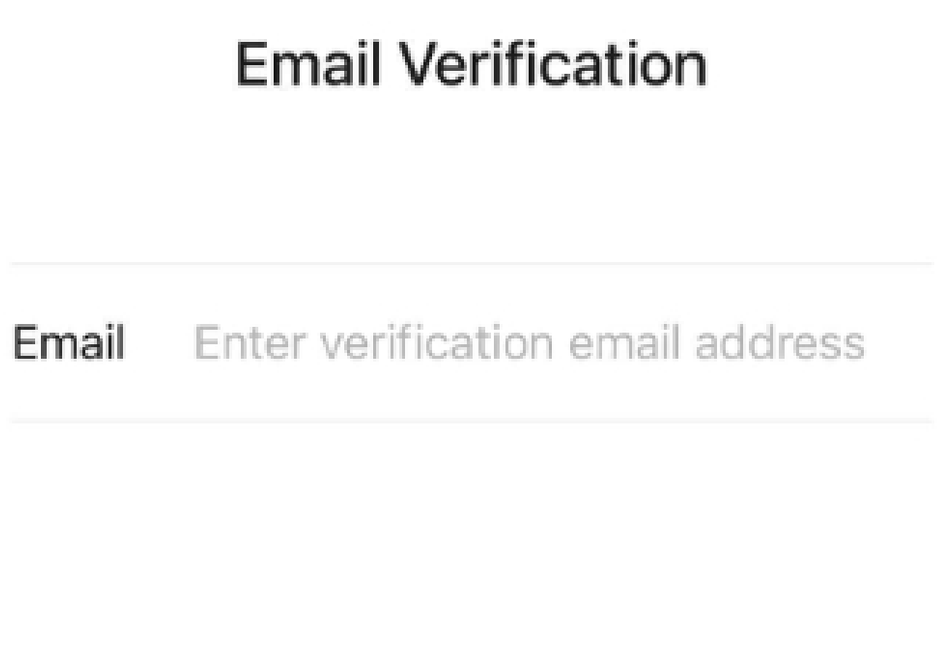


Step 4: Agree to WeChat's Privacy Policy and Complete the security verification process



Step 5: Verify your phone number and email address.





Step 6: For some applicants you will need to ask a WeChat user to scan the QR code on your phone

1. Contact a WeChat user who meets the following conditions.(They do not have to be your WeChat friend.)

   a. Signed up for WeChat over 1 month ago if they are an international user or over 6 months ago if they are a Chinese Mainland user
   b. Hasn't completed "Help Friend Register" for other users in the past month
   c. Hasn't been blocked in the past month
   d. Has activated WeChat Pay if they are a Chinese Mainland user

2. Ask them to scan the following QR code using WeChat.

NOTE:

The QR code is a dynamic code that expires after a few minutes once it's activated.

If you're not sure how to do it? Check out this Setup Guide for reference:
